[CISE 2012: 13th Congress of the International Society of Ethnobiology](#)  
20-25 May 2012 Montpellier (France)

***This message is addressed to corresponding authors only. Please share this message with your co-authors, if any.***

Dear Mónica Mesquita,

your submission **THREE “ETHNOS”: ETHNOBIOLOGY, ETHNOMATHEMATICS, AND ETHNOGRAPHY LIVED IN TWO LOCAL COMMUNITIES FROM COSTA DE CAPARICA, PORTUGAL., L Laporta [et al.]** ([sciencesconf.org:cise2012:4143](#)) has been accepted as a **poster** for the 13th International Congress of Ethnobiology.

On behalf of the Organizing Committee, I am pleased to invite you to participate in the 13th International Congress of Ethnobiology in Montpellier, France from May 20 to 25, 2012.

More specifically, I invite you to present your research in a poster, entitled **THREE “ETHNOS”: ETHNOBIOLOGY, ETHNOMATHEMATICS, AND ETHNOGRAPHY LIVED IN TWO LOCAL COMMUNITIES FROM COSTA DE CAPARICA, PORTUGAL., L Laporta [et al.]** ([sciencesconf.org:cise2012:4143](#)).

Please check the [congress website](#) within the next few weeks to read more about the schedule (date, time and location) of your session and about guidelines concerning posters.

Please note that a poster presentation should in no way be considered as a second-class communication. The organizing committee is preparing a poster platform that will be very attractive, and will allocate a special time-slot with no competing activities during the congress week for a very stimulating and convivial poster session. Posters linked to a particular oral session will be exhibited in the same hall with the oral session during that oral session, and several session chairs have agreed to provide exclusive time for poster introduction. And then they will also be in the poster hall during the full poster session. Posters will be equally treated with oral presentations in the proceedings, and will be posted online in pdf format (after authorization by their authors). Last but not least, we are currently working on the possibility for authors to introduce each of their posters in a short 2 mn video. All received videos would be repeatedly projected on LCD monitors in the poster hall during the whole week. Demos of such poster introduction videos will be available online soon. We are currently looking for feedback from poster presenters on this idea. If this is something that you would be able to produce, or if you think it is a good idea but are unable to produce such a video on your own, please let us know by sending us an [email](#) with "Poster Videos" in the subject line.

Do not hesitate to contact the chairperson of your session should you need any further details about the running of this session.

Please note that this message is not to be used for travel visa purposes; we will issue a separate letter for the French Consulate in your region should you need one. Please contact us separately regarding an official letter for [travel visa](#) purposes.

Please [register](#) as soon as possible. The deadline for early registration is 22 February, 2012. We also advise that you make [accommodation arrangements](#) as soon as possible.

Kindly visit the [congress website](#) for more information about registration, travel and accommodation.

Yours sincerely,

A handwritten signature in black ink, appearing to read 'Edmond Dounias', with a stylized flourish at the end.

Edmond Dounias  
*Chair of the Organizing Committee*
